

SHUBHAM SHUKLA

Machine Learning Engineer

+91 81286 18176 sbmshukla17@gmail.com kaggle/sbmshukla Idar, Gujrat

Summary

Detail-oriented Machine Learning Engineer with a solid grasp of statistics, probability, and data preprocessing, adept at building and optimizing models using supervised, unsupervised, and ensemble techniques. Proficient in EDA, feature engineering, and model tuning to translate complex datasets into actionable insights.

Skills

Programming & Tools — Python, SQL
ML/DL Frameworks — Scikit-learn, TensorFlow, PyTorch
Data Handling — Pandas, NumPy, Matplotlib, Seaborn
Model Optimization — Cross-Validation, Hyperparameter Tuning, Evaluation Metrics
Model Deployment — Streamlit

Experience

Android App Development <i>Freelancing</i>	09/2024 – Present
Android Developer (Full-Time) <i>TGC - The Growth Co. (Digital and IT Solution)</i>	04/2023 – 09/2024 Ahmedabad
Android Developer (Intern) <i>Tri-Techno IT HUB</i>	08/2022 – 03/2023 Ahmedabad
Teaching Assistant (Incampus Intern) <i>Parul University</i>	2021 Vadodara

Soft Skill

Problem-Solving & Analytical Thinking | Collaboration & Teamwork | Presentation Skills

Education

BE - Information Technology <i>Parul University</i>	2019 – 2023 Vadodara
HSC - PCM <i>GSHSEB</i>	2019 Idar
